

## REACTIVITY RESEARCH WORKING GROUP

### Invitation

TO: RRWG Members

FROM: Don Fox  
RRWG Chair

SUBJECT: Reactivity Research Working Group Meeting

DATE of Meeting: January 8-9, 2003

LOCATION: US Environmental Protection Agency  
New EPA Research Labs

The next RRWG meeting will be held on January 8-9, 2003 in Research Triangle Park, NC. At this meeting we will discuss and develop follow-on research activities to the Task 1579.1 Preliminary Modeling Projects. The location and format will be similar as previous meetings in RTP with a two-day meeting starting at 1 PM on Wednesday and adjournment by 1 PM on Thursday.

A map showing EPA Building C and visitor parking locations is available at:

<http://www.epa.gov/rtp/transportation/parking/map.htm>

The RRWG meeting agenda will be distributed separately.

Information on RTP Hotels from Yahoo. Please skip over the “Sponsored Businesses” to “All Businesses listing for hotels closest to USEPA facility.
